Reviews

Just no words to explain. Indeed, it is actually play, nevertheless an amazing and interesting literature. It's been written in an exceptionally simple way and is particularly simply following I finished reading through this ebook by which in fact altered me, alter the way in my opinion.

(Leilani Rippin)
LESTRADE AND THE BROTHER OF DEATH (PAPERBACK)

Thistle Publishing, United Kingdom, 2013. Paperback. Condition: New. Language: English. Brand New Book ***** Print on Demand *****. Recovering from a broken leg after his ignominious fall from the Titanic, Lestrade should have had a peaceful time convalescing. But an attempt on the life of his future father-in-law makes him realize that a policeman is never really off duty. What is particularly puzzling is the arrival of a letter which simply reads Four for the Gospel Makers, and it isn’t the first Lestrade has been sent. So begins one of Sholto Lestrade’s most mystifying cases, encompassing both the present and the past. He walks down memory lane to the time when he was a young and very naive constable, looking back on episodes in his career which never came to satisfactory conclusions and hold other clues as to who the sender of the letters is. Because whoever it is, is a cold-blooded killer. A slapstickish bloody finale ensues; leading up to it, we get the customary high profile wisecrackery; with Wodehousian gags rubbing shoulders with double entendres. Trow’s historical contexts remain impeccable. - Oxford Times.
